Steven Barbato
ITEEA@ITEEA.ORG
Nancye Hart
Nhart@iteea.org

ITEEA'S mission is to advance technological and engineering capabilities for all people and to nurture and promote the professionalism of those engaged in these pursuits. ITEEA seeks to meet the professional needs and interests of members as well as to improve public understanding of technology, innovation, design, and engineering education and its contributions.

The ITEEA's Stem Center for Teaching and Learning™ has developed the only standards-based national model for Grades K-12 that delivers technological literacy in a STEM content.

The Engineering byDesign™ Program is built on the belief that the ingenuity of children in untapped, unrealized potential that, when properly motivated, will lead to the next generation of technologists, innovations, designers, and engineers.
Isograd is the developer and editor of the TOSA skills assessment and certifications. The TOSA (Test On Software Applications) certification is an internationally recognized standard and includes TOSA Office – (Excel, Word, PowerPoint, and Outlook), TOSA Digital, (Adobe Photoshop, Illustrator, InDesign, and DigComp), and TOSA Code, (PHP, Java, C# and HTML5/JavaScript/CSS).

Teaching Financial Literacy, Entrepreneurship, Business or Finance that "really comes alive" is not easy.

To do so, you need more than textbooks or worksheets.

Imagine that part of your business and finance lesson plans also include a virtual tour of Wall Street and the players that make up the US Financial Systems.

Our virtual tours, complete with lesson plans and work sheets allow you to easily bring real-life applications to your curriculum and classroom.

We are Sharing Hope is the organ procurement organization for the state of South Carolina. We assist with the gift of life through organ, eye, and tissue donation.

WIN Learning’s career readiness curriculum and assessments prepare learners to be career ready in both academic and soft skills.

**WIN Ready to Work** is a workforce education and development assessment tool, comprised of three proctored assessments, Applied Mathematics, Reading for Information, and Locating Information, leading to a work ready credential. It brings employers, learners/job-seekers, and education/workforce partners together in building a skilled workforce, while keeping and attracting businesses with higher-wage jobs.

The **WIN Essential Soft Skills** assessment is composed of questions measuring entry-level work tasks and behaviors, including cooperate with others, resolve conflict and negotiate, solve problems and make decisions, observe critically, and take responsibility for learning. The assessment questions require the learner to choose two answers; the “best” and “worst” answers for handling each situation, providing a deeper understanding of the essential soft skills. Visit [www.winlearning.com](http://www.winlearning.com) to learn more about our career readiness solutions.
Thank you for supporting and visiting our exhibitors while you are at the Summit, Monday and Tuesday. The Exhibitor booklet will be posted online at www.scacte.org following the Education and Business Summit for your convenience throughout the year. Stop by the SCACTE (South Carolina Association for Career and Technical Education) Silent Auction tables and post your donation bid on your favorite item. All proceeds go to the scholarship fund for SCACTE Professional Development. Silent Auction starts Monday and ends Tuesday at 3 PM Drawing for door prizes and pick up of Silent Auction items will be during the Exhibits afternoon refreshment breakout 3:00-4:00 pm Tuesday. Door prizes are drawn from the Best of Show card.

A special thank you to our exhibitors who donated door prizes for our drawing on Tuesday afternoon. Be sure to visit each booth and be sure to fill out your card in your bag for "BEST OF SHOW" for your favorite exhibitor. Drop it off at the Exhibitor Check-In Table to be included in the door prize drawings at the Tuesday afternoon break prior to closing Exhibits.
